8th April 2021

Dear Parents / Guardians,

I hope you and your families had an enjoyable Easter break. We are looking forward now to a return to school on Monday 12th April for term 3. I would be grateful if you could complete the **Return to Education Form** in respect of each child returning to school after the holidays. This form is available [here](#).

I wish to ask once again on behalf of the Board of Management for your cooperation with a number of matters:

1. The importance for all adults and children of not congregating at or near school and for adults to wear a mask in the school grounds
2. That communication with the school must take place by phone or online
3. If children present with symptoms of COVID-19 at school contact will be made directly with parents / guardians to ensure children are collected without delay
4. You should not send children to school if they are close contacts of a person with COVID-19, are awaiting a test or are experiencing symptoms of COVID-19
5. You should not send pupils to school if they are identified by the HSE as a close contact of a confirmed case of COVID-19 or if they live with someone who has symptoms of the virus
6. You should not send pupils to school if they have travelled outside of Ireland during the Easter break; in such instances parents are advised to consult and follow latest Government advice in relation to foreign travel
7. Please cooperate with any public health officials and the school for contact tracing purposes and follow any public health advice in the event of a case or outbreak in the school

Your cooperation with the above is greatly appreciated. I hope you have a nice weekend.

Kind Regards,

Joe Carty

Principal
